

Technical sheet

Ref. 215556

Handheld slate cutter 35 mm with V2 punch

Slate pliers are used to cut and drill slates for installation.

**FEATURES**

More ergonomic: doesn't pinch your hand when tightening, thinner and less slippery handle.

More productive: higher cutting speed thanks to the new mechanism that requires less effort

More resistant: reinforced spring and needle

Precision work: excellent cutting quality and perfect splinter

SPECIFICATIONS

Length (mm)	30
Width (mm)	110
Height (mm)	310
Weight (kg)	0,837
